WHY IS DISABILITY INSURANCE IMPORTANT?

- more common than you think
- up to 40% of Canadians are disabled for 90 days or more before age 65
- replace most of your paycheque
- potentially receive up to 80 - 90% of your take-home pay
- help meet your financial obligations
- avoid dipping into your retirement savings
- contact my office for no-fee review of your investment portfolio and your life insurance policies
